Thanks – I thought that was probably the case but thought it best to verify. I hope your week is going well.

**Subject:** FYI: Gold King mine response

Good morning everyone,  
I just wanted to let you all know that the EPA-Headquarters activated their EOC for the Gold King mine spill response. I will be in the EPA-EOC until further notice and the desk number is 202.250.8921 if you need to reach me for any reason.

I would also really appreciate knowing the R6 and R9 ATSDR Reps who will be responding.

Thank you very much,

Deborah Burgin
